

We Plan - You Plant

A design service for small DIY garden & landscape projects

Our **We Plan-You Plant** design service is geared towards homeowners looking for help designing smaller weekend DIY garden and landscape projects. (Usually about 500 square feet or less) We assist you getting past the hurdle of trying to determine what to plant, so you can get to work actually planting. This service focuses on one area a time.

Examples of types of projects

foundation plantings mailbox garden small butterfly pollinator garden
a privacy border small slope herb garden cutting garden or a cozy sitting area

We still offer complete landscape design services for larger, long term projects, Contact us to discuss your needs.

How it Works

- You complete our questionnaire to give us an idea of what you are looking to accomplish.
- Once you return the questionnaire along with photos, and rough measurements on the provided graph paper (*see example*) we begin the design process. You will receive a confirmation e-mail.
- Allow our designers two to three weeks to prepare the plan and a plant/materials list.
- We then meet at the nursery to review the plan, gather your plants, so you can get started. Delivery is available for a nominal fee.
- Purchase the We Plan - You Plant Design Package for \$150. Along with your custom design you will receive a \$75 Gift Card to put toward plant purchases.
